## Opportunity for Focus Group Meeting

A Focus Group Meeting gives companies a unique chance to ask international experts and Key Opinion Leaders (KOL's) their opinion in a closed forum and is interesting for companies, which:

- are about to launch a new product
- are new to the European market and need feedback on their existing products
- would like to establish contact to Key Opinion Leaders
- are interested in feedback on products, clinical studies or new ideas

A Focus Group Meeting has the advantage that you do not need to fly in and accommodate a group of people, as all KOL's are already present at the conference. This makes the focus group a cost-effective tool to get feedback and promote your product towards KOL's.

Expect about 7-8 KOL's to attend the Focus Group Meeting that will last up to 1,5 hours during the conference, typically in connection with a lunch break. The Focus Group Meeting will be arranged in co-operation with the conference organiser in terms of invitations and selection of people.

Room rental, standard AV-equipment and catering are included the fee.

**Focus Group Meeting costs € 12,000**

## TERMS OF PAYMENT & CONDITIONS

The total amount will be invoiced immediately upon ordering and is due 14 days hereafter. All bookings must be made by e-mail sent to the conference organiser and must contain invoice address, VAT number, and PO-number (if needed). All mentioned prices are in Euros and excl. VAT.

Any cancellation of sponsorship, exhibition or other sponsorship items before 1 October 2024, will incur a cancellation fee of 25% of the total cost of the booking.

Cancellations after 1 October 2024 are non-refundable.
