Barcelona: 3h30

By metro

The nearest metro stop is Line B, stop - "Compans Caffarelli" which is a 1-minute walk from the venue.

By bus

The venue is served by lines 14, 45, 63, L1 and the airport shuttle.

Parking

Available at the Q-Park Compans Caffarelli lot. Parking packages can be purchased via the venue, see the separate catalogue and order form on page 10.

Unloading and loading during build-up & dismantling

Delivery area access

All deliveries, unloading and loading must take place in the delivery area of the congress centre Pierre Baudis, please see below photo where access to the delivery area is marked with **green arrows**.

Access from Boulevard Lascrosses where the Q-Park Compans Caffarelli parking lot is located and between the garden, Jardin Compans Caffarelli and Hotel Mercure. The delivery area is flat and with no platform.

Vehicles must not exceed:

Height: 3.60 m.

Length: 8 m.

Weight: 13 t.

Contact the security of the congress centre for oversized vehicles.

Phone: +33 (0) 5 62 30 40 34.

Please note that it is compulsory to wear personal protective equipment and **safety shoes are mandatory** throughout the build-up and dismantling periods.

Each person must report to the security desk to receive a badge (in exchange for a document with the person's name and photo). Service providers must provide a list of the names of personnel working on the site, or supply identification badges.

Maximum time for parking during unloading / loading is 30 minutes. Hereafter the driver must leave the delivery area and park in the parking lot at the current rate due to limited capacity at the delivery area.

Exhibition

Equipment

All equipment and graphics for your stand can easily be ordered through the venue. Ordering and payment must be made directly with the venue.

Links: [Equipment catalogue & order form](#) and [Regulations & Rules of the venue](#).

For questions regarding ordering equipment and other items, please contact the venue:

Florence Chatellier, fchatellier@toulousecongres.com

If you prefer using your own equipment or supplier, you can also do that – in that case please submit the information as explained in the following section (Stand plan).

Deadline for ordering exhibition equipment: Monday, 10 March

Stand plan

Please inform the venue about your stand setup. A brief description will be sufficient with simple booths that do not include custom walls, counters, flooring, etc.

If you are planning on having a booth that requires stand building (i.e., custom walls, counters, flooring, etc.), you must send:

- **Stand plan with measurement**
- **3D visual**
- **Reaction-to-fire certificates of materials used**

All stand plans must be submitted directly to fchatellier@toulousecongres.com and marc@apf-securite.fr.

Deadline for submitting stand plan: Monday, 10 March

Floor

The floor at the exhibition area is carpet and the colour is beige. Other colours of carpet can be ordered through the venue, see separate catalogue.

Electricity

There will be one power plug (220 V) at each booth included free of charge for all booths. In case you want to buy extra electricity, please order this through the venue, see separate catalogue.

Wi-Fi

There is free Wi-Fi at the venue. Private internet connection and cabled internet can be purchased through the venue, see separate catalogue.

Booth cleaning

Stand cleaning can be booked through the venue, see separate catalogue for ordering. Cleaning of the aisles is included for all exhibitors on daily basis.

Catering

EPOS2025 provides coffee and lunch breaks for everyone. Additional catering can be ordered through the venue, see separate catalogue.

General instructions

Operating heights: Maximum building height of the stands is **3 meters** for all stands.

The EPOS2025 organiser or the venue will not be responsible for any theft, loss or damage that may occur and recommend that exhibitors ensure their booths for their full value.

Conference app

Name of conference app is EPOS 2025. An e-mail with information will be sent when the app is ready for download closer to the conference.

Exhibitor directory

In the conference app there will be a section with all relevant information about the Sponsors, exhibitors and the floor plan. All companies will be listed with logo, booth number, website and contact information.

All Sponsors & Exhibitors: Please send logo as PNG or JPG and contact e-mail and phone number (incl. country code) to Tobias Busch Nielsen at tn@cap-partner.eu with **deadline Friday, 7 February.**

For Sponsors: For the exhibitor directory in the conference app, we will use the same company description as on the conference website, <https://epos2025.org/sponsors-exhibitors/>. Please check if you wish to have the same text in the app / exhibitor directory or let us know if you want to edit the text and we can do this for you. Please let us know no later than **Friday, 7 February.**

Advertisement in the app

Diamond, platinum and gold sponsors are entitled to an advertisement in the app as follows:

Diamond sponsor: Splash screen: 1080x1920px @72DPI, PNG or JPG, max. 1MB.

Platinum & gold sponsors: Rotating banner: 450 x 450 px, PNG or JPG.

Please send the advertisement to Tobias Busch Nielsen at tn@cap-partner.eu with **deadline Friday, 7 February.**

Information about industry symposia

If you have an industry symposium included in your sponsorship, please inform us about the agenda and the speakers in advance for approval. Please send the agenda including symposium title, name of speakers and presentation titles to Tobias Busch Nielsen at tn@cap-partner.eu.

The agenda will hereafter be uploaded to the conference website and will be included in the programme app as well.

Deadline for sending the agenda for industry symposium: **Friday, 7 February.**

Lead retrieval

We offer a user-friendly badge scanner app to be used on your own device(s).

The badge scanner can be used both at your exhibition booth, and at the entrance for your industry symposium.

Scan the QR code on the delegates badges (with their approval) and get a daily lead excel report with:

- Name
- E-mail address
- Affiliation
- Country

After the conference you will receive a final report.

You also have the possibility to upload brochures and product materials in your app profile so you can easily and quickly send product information to the delegates.

Cost (ex. VAT):

EARLY BIRD rate (till 28 February):

1st app license: € 240

Additional app license: € 120

STANDARD rate (after 28 February):

1st app license: € 290

Additional app license: € 150

For ordering license for the lead retrieval app, please write an e-mail to Katerina Vicen at kv@cap-partner.eu. Bookings can be made up to the conference start, but we offer early bird rates until **Friday, 28 February.**

Promotional materials

To help promote EPOS 2025, we encourage you to download our web banner, PowerPoint slide, and brochure for your event calendar and share in your network and help us spread the knowledge about EPOS. Kindly use **#EPOS2025** if posting on social media.

You can download the materials from this link: <https://epos2025.org/promotional-materials/>

Branding

To get more visibility of your brand or company during EPOS2025, you can book further branding.

Examples of available opportunities is pillar wrap, floor stickers, or refillable water bottles with EPOS logo and your logo on.

Please contact sponsorship & exhibition manager Tobias Busch Nielsen at tn@cap-partner.eu to get more information about the possibilities and cost or if you have an idea for other type of branding.
